OF RECOVERY

# pARTicipate!

**FRESH A.I.R. GALLERY** exhibits the work of artists affected by mental illness and/or substance use disorders. Through art, we educate the community and work to break down stigma by bringing focus to the artistic vision. As we continue to navigate the effects of the COVID-19 pandemic, including its vast impact on Americans' mental health, we find Fresh A.I.R.'s mission to be important as ever.

Fresh A.I.R. would not be able to sustain its mission without the generous support of talented artists like you. Through donations of original artwork to the Art of Recovery, Fresh A.I.R. Gallery's annual art auction, creatives nationwide help us secure funding to advance our mission and continue empowering artists in recovery.

We would like to invite you to pARTicipate in the **Art of Recovery 2021**. This year's event will be held in person at the **Columbus Museum of Art** on the evening of **Friday, November 5, 2021** and will be accompanied by an online art auction for guests who wish to attend remotely. In 2019, more than 750 guests enjoyed the Art of Recovery at the museum, one of Columbus' premier art venues, and participated in live and silent auctions of more than 100 original artworks.
